Would you be likely to support or oppose a bill to:
Raise the sales tax
Oppose
Please explain your position:
I would only support an increase in Sales Tax if we were to move away from property taxes as a means of
supporting local governments, school and other taxing districts that property tax supports.
Lower the sales tax
Support
Raise the income tax
Oppose
Lower the income tax
Support

In general, I believe state government (select one):

Regulates too much, and such regulations should be cut
