Would you be likely to support or oppose a bill to:

Raise the sales tax

Oppose

Lower the sales tax

Support

Raise the income tax

Oppose

Lower the income tax

Support

Raise excise taxes on tobacco, beer or wine

Oppose

Lower excise taxes on tobacco, beer or wine

Support

Provide special tax breaks to certain businesses or industries

Not sure

Please explain your position:

Are you talking about new tax breaks or existing? I don't want to add uncertainty to the business environment. In general I don't think that the government should subsidize industry.

Repeal special tax breaks to certain businesses or industries

Not sure

Please explain your position:

Same as above I would have to look at a specific example.

Collect sales tax on Internet sales by participating in the national Streamline Sales Tax Project

Not sure

Propose a constitutional amendment to require a two-thirds vote of the House and Senate on tax increases

Support

Propose a constitutional amendment to require a two-thirds vote of the House and Senate for fee increases

Not sure

Eliminate income and/or sales tax exemptions, credits and deductions in order to raise state government revenue

Oppose

Eliminate income and/or sales tax exemptions, credits and deductions in order to lower the overall sales and/or income tax rates

Not sure

Put in place stronger limitations on government spending in Idaho

Support

Reduce, reform or end participation in entitlement programs such as unemployment insurance, Medicaid and food stamps

Support

Expand participation in entitlement programs such as unemployment insurance, Medicaid and food stamps

Oppose

Repeal the use of urban renewal in Idaho

Not sure

Please explain your position:

If reforms to the law cannot be past then I would probably support, if reforms creating more accountability to the voters and envlovement in there implimentation can be achieved I would be supportive of those.

Expand the use of urban renewal in Idaho

Oppose

Reform urban renewal by limiting the projects and holding elections for urban renewal commissioners

Support

Ban the Land Board or other government agencies from owning businesses that compete with the private sector

Support

Ban minors from using tanning beds

Not sure

Allow Idahoans to buy health insurance across state lines

Support

Create a state government health insurance exchange

Not sure

Please explain your position:

Lean Oppose

Expand school choice options in Idaho including charter schools, public schools and home schools
Support

In general, I believe state government (select one):

Regulates too much, and such regulations should be cut
