Would you be likely to support or oppose a bill to:

Raise the sales tax

Oppose

Lower the sales tax

Support

Raise the income tax

Oppose

Lower the income tax

Support

Raise excise taxes on tobacco, beer or wine

Oppose

Lower excise taxes on tobacco, beer or wine

Support

Provide special tax breaks to certain businesses or industries

Support

Please explain your position:

If it brings business in to the economy and creates jobs.

Repeal special tax breaks to certain businesses or industries

Oppose

Please explain your position:

unless there is good reason to take them away

Collect sales tax on Internet sales by participating in the national Streamline Sales Tax Project

Oppose

Please explain your position:

Don't want to be in a national compact, and it is against constitution unless congress acts and allows the states to do so. if the business has a presence in Idaho we are collecting the tax.

Propose a constitutional amendment to require a two-thirds vote of the House and Senate on tax increases

Support

Propose a constitutional amendment to require a two-thirds vote of the House and Senate for fee increases

Support

Eliminate income and/or sales tax exemptions, credits and deductions in order to raise state government revenue

Oppose

Eliminate income and/or sales tax exemptions, credits and deductions in order to lower the overall sales and/or income tax rates

Oppose

Put in place stronger limitations on government spending in Idaho

Support

Reduce, reform or end participation in entitlement programs such as unemployment insurance, Medicaid and food stamps

Support

Expand participation in entitlement programs such as unemployment insurance, Medicaid and food stamps

Oppose

Repeal the use of urban renewal in Idaho

Support

Expand the use of urban renewal in Idaho

Oppose

Reform urban renewal by limiting the projects and holding elections for urban renewal commissioners

Support

Ban the Land Board or other government agencies from owning businesses that compete with the private sector

Support

Ban minors from using tanning beds

Oppose

Allow Idahoans to buy health insurance across state lines

Support

Create a state government health insurance exchange

Not sure

Please explain your position:

If it is a state run exchange that does not have to meet federal requirements, and is voluntary

Expand school choice options in Idaho including charter schools, public schools and home schools

Support

In general, I believe state government (select one):

Regulates too much, and such regulations should be cut
